<a href="#">B000518-040121</a>	4/1/2021	4/1/2021	BAT/POLICE REPORTS	Mary Cole	Secretary, Jeffries Point Neighborhood Association	Good morning. I've not received a response and wanted to follow up on this. I'd like to obtain a copy of the police report from an incident that occurred on 12/16/19. A suspect held up a store in Maverick Square, and fled down Marginal Street through the East Boston Shipyard, and was apprehended hiding in the backyard of one of my neighbors. I believe he was apprehended hiding in the backyard of 257 Webster Street. Can you tell me how to go about requesting this police report? Thanks!!! Regards, Mary Cole Secretary, Jeffries Point Neighborhood Association PO Box 342; East Boston, MA 02128 e: mary.cole@jeffriespoint.org e: board@jeffriespoint.org
<a href="#">B000519-040121</a>	4/1/2021	4/30/2021	BTD	Jerry Adler		Good afternoon, My vehicle was recently involved in a hit and run. I parked across the street at 11PM on Monday 3/29/21 (this Monday), and when I went to my vehicle the next day at 3PM (Tuesday 3/30/21 - yesterday), it had been badly damaged. Fortunately, there was one of the new BPD 360 degree cameras right above the vehicle - it was on the corner of Monument Street and Bunker Hill Street in Charlestown. I would like to request the footage from that camera during the time in question so I can determine the identity of the vehicle that struck my vehicle. If I can find the vehicle, I can file a claim through my insurance company for damages. I do not have comprehensive coverage, so the insurance company won't engage without some evidence that another vehicle was involved. Best regards, Gerald Adler 28 Monument Street Unit 3 Charlestown, MA 02129 857 302 0671

<a href="#">B000534-040521</a>	4/5/2021	5/6/2021	OPC	Chris Wrenn		I have two Boston Police incident reports (numbered 000551641) dated 10/04/2000, one from within the hour of the robbery, completed at 12:59am by officer Richard F. McCormack and one from the following morning, completed at 7:30am by officer Brian S. Waters. A roommate of mine, Todd Wilson, was shot in his 3rd floor bedroom during a robbery in the apartment that we shared. I was on scene when the police arrived and was interviewed at the time (I was the first floor tenant that allowed officers into the apartment). I am looking for more information regarding the crime itself that was not included in the incident reports, and would appreciate any information that would help me find out who was ultimately prosecuted (it is my understanding someone was apprehended). I am looking for any additional reports to confirm the number of suspects involved, how many shots were fired, the caliber of the handguns, and what exactly was stolen in the robbery. I am also interested in any information about who was ultimately apprehended for the crime and any identifying information that could assist me in learning about their prosecution. Thank you for your assistance in this matter.

Rules, policies, or other practice documents concerning residency restrictions for police officers, command staff, and other police staff. If residency restrictions allow for a waiver, then records for each year from 2016 through 2021 that reflect (a) the number of residency rule waivers applied, (b) the stated reason for the residency waiver, and (c) the outcome of the residency waiver. 2. Rules, policies, or other practice documents from your municipality that lay out whether police department staff (including officers) can receive housing subsidies and/or live in public housing, even if they do not qualify under the income guidelines. 3. Records that indicate for each year from 2016 through 2021 how many police department staff (including officers and staff of all ranks) live in public housing, and the name of the housing development where the officer lives. This can either be a snapshot on January 1st of each year 2016 through 2021, or a summary of the entire period 4. Records that indicate housing allowances or other subsidized housing (not already covered in question 3 above) provided to police department staff (including officers and command staff) in your or another municipality. I also request that, if appropriate, fees be waived as we believe this request is in the public interest, as suggested but not stipulated by the recommendations of the Massachusetts Supervisor of Public Records. The requested documents will be made available to the general public free of charge as part of the public information service at MuckRock.com, processed by a representative of the news media/press and is made in the process of news gathering and not for commercial usage. I expect the request to be filled in an accessible format, including for screen readers, which provide text-to-speech for persons unable to read print. Files that are not accessible to screen readers include, for example, .pdf image files as well as physical documents. In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not. Thank you in advance for your anticipated cooperation in this matter. We are also requesting any and all documents, including any communications such as emails, surrounding N&T Mechanical's withdrawal of their bid for this project. Lastly, we are requesting the name of the contractor who was awarded this contact. This request is made under the Freedom of Information Act which requires a response within 10 days. As you know, the Act permits you to reduce or waive fees when the release of this information is considered as "primarily-benefitting the public". I believe that this fits that category and therefore ask that all fees be waived. If there are any fees levied on this request for searching or copying the records, please inform me personally before the request is honored. If all or part of this request is denied, please cite the specific exemption(s) which would justify your refusal to release this information, and then please provide the procedures available to us for an appeal as required by law. We would appreciate your handling this request as soon as possible. <a href="#">B000547-040621</a>	4/6/2021	8/19/2021	OPC	Heather Baer	Fitch Law Partners LLP	This office represents Abigail Brown Mastroianni("Ms. Brown"),one of the parties to whom the referenced incident report pertains. For your convenience, a copy of the report (previously provided to Ms. Brown by the Boston Police Department) is enclosed herewith Requesting 911 call and all video recordings generated in connection with this matter, including all video generated by the "body worn camera" worn by the responding officers. We already have the police report for this matter. Please note that the report contains NO allegations of domestic violence or abuse, as that term is defined in G.L. Ch. 209A § 1. Accordingly, G.L. Ch. 41 §97D does not prevent the release of these materials to Ms. Brown. Although the box labeled "DVIP" was checked on the report, the body of the report clearly states that the responding officers "notified David that threats to seek civil action is not a criminal matter." Thus, the labeling of the report as such is erroneous (and, in fact, the Boston Police Department released the report to Ms. Brown previously). [SPR21/0986 ]

This has not been the first incident reported, a few weeks ago, Boston Police Officers were called about the same parties involved in a domestic violence dispute and another party Ms. Charleta Jones, who I have an active restraining order against, was discovered at my residence while the the domestic violence incident was taking place. Ms. Jones was arrested by Boston Police Officers on scene for violating the restraining order I have against her for my home at 153 Norwell St. I didn't get the incident report from that occurrence, however there should be one on file.

Chapter 66, Section 10). I am requesting any and all copies of the following forms dated and or filed between January 1, 2017 through December 31, 2019: - Any transactions, receipts, reports, and or spreadsheets that show purchases made with proceeds from state and federal forfeitures - copies of equitable sharing agreement certifications between Boston Police Department and any and all federal law enforcement agencies for 2017-2020 I understand that some records will become available sooner than others. I would like to be provided with each file as it becomes available. Please provide files electronically, in accessible format, including for screen readers. I recognize that you may charge reasonable costs for copies, as well as for personnel time needed to comply with this request. If you expect costs to exceed \$125.00, please provide a detailed fee estimate. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of forfeitures in Massachusetts. I do not believe the records are exempt under MGL Chapter 66, Section 10. However, if you believe the records contain exempt material, the law requires that you redact only that information and release the rest of the documents. Thanks in advance for your cooperation. I look forward to receiving your response in 10 business days, as required by Public Records Law. If you cannot comply with my request, please provide an explanation in writing, as required by the statute. Thank you in advance for your time and I look forward to being in touch.

<a href="#">R000692-041421</a>	4/14/2021	4/30/2021	BTD	Jodi Greenburg		To Whom it May Concern: I am requesting a copy of the video surveillance at the intersection of Herald Street and Albany Street for: March 24, 2021, between 11:30 am and 12:50 pm; and April 7, 2021, between 10:45 am and 11:30 am I am making this request because currently there is a Clerk Magistrate's Hearing in the Boston Municipal Court scheduled for April 30, 2021. On those two days there was a man wearing a green baseball cap dressed in mostly black. He was wearing a black coat that had some gray arm patches. He was wearing a white mask for COVID below his nose. He was aggressively panhandling on both dates. On March 24th he stood in front of my black SUV car, slammed on the hood of the car with his fists at least two (2) times while displaying his middle finger to me with the other hand. He was screaming and yelling profanity while doing this. After I parked my car I went to take a picture of him with my phone from a distance. I was standing on Herald Street and he ran across traffic on Albany street toward Herald and began to follow me down Herald Street screaming and yelling at me the entire time. I spoke with a Boston Police Officer doing a detail on Harrison Ave., and he called the duty supervisor from D-4. Eventually, this matter was assigned to Det. Nucci (617-343-9529). On April 7, 2021, I contacted Det. Nucci because I saw the same man at that intersection doing the same thing to the cars around mine. Hopefully you will be able to locate the man on the surveillance. I have one photo of him but unfortunately my cellphone camera is not compatible with my computer. I will try to send it to you from my phone so you will have a better picture of the man. Thank you for your attention to this matter,

<a href="#">R000709-041521</a>	4/15/2021	4/20/2021	Parks	Kayla Fontalvo		Under the Massachusetts Public Records Act § 66-10 et seq., I am requesting an opportunity to inspect or obtain copies of public records that indicate how many productions were filmed on the Boston Common in Boston, Massachusetts during the years 2019 and 2020. I am also requesting an opportunity to inspect or obtain copies of public records that indicate the tax credits of each film production. I am a student at Emerson College wanting to learn and report about the film entertainment industry and how the pandemic has affected it. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the pandemic and how it has affected film production. This information is not being sought for commercial purposes. The Massachusetts Public Records Act requires a response to this request within 10 days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. Thank you for considering my request. Sincerely, Kayla Fontalvo

<a href="#">R000897-051321</a>	4/20/2021	11/17/2021	Mayor's Office of Arts and Culture	Christopher Mullady		On Tue, Apr 20, 2021 at 10:01 AM Christopher Mullady <cemullady@comcast.net> wrote: Dear Mr. Williams, Your April 14 letter says, in the present tense, that the entity once called the recontextualization subcommittee "is working with staff" as an "advisory group." At the April 13 art commission meeting, however, Mr. Freeman reported that the "advisory group" held its "final meeting" on March 24, and that henceforth the two commissioners, Mr. Freeman and Mr. Alvarez, will be working with the staff on the Cottleville project, trying to arrange a loan. He also referred to a further report that he said would be forthcoming. The "subcommittee" or "advisory group" in question was organized no later than September 25, 2020 (the reported date of its first meeting), with 7 members who are not commissioners, and 2 commissioners who were identified as co-chairmen. Could you please tell me what the current status of that group is, according to the city? Specifically: Are we to understand that the group has held its "final meeting," wound up its business, and ceased to have any officially established, ongoing function? Or, that the seven non-commissioners have finished their work as members, a final meeting has been held with them, and any remaining "group" now consists of the two commissioners working with staff to accomplish the Cottleville project? It would be helpful if you could clarify that. If a record has been made on this point, I would appreciate a complete copy of it. And likewise, of any record that was made, after February 23, to memorialize the designation of the "subcommittee" as an "advisory" or "working group," rather than a "subcommittee." I trust it's understood that I am not asking you to comment about whether the seven non-commissioners have any plans to meet in the future, on their own private initiative. [SPR21/1634] [SPR21/2438]

<a href="#">R000798-043021</a>	4/28/2021	5/11/2021	Auditing	Andrew Ryan	The Boston Globe	I am a reporter for the Boston Globe and I'm trying to track down payroll records from the mid 1990s for a former City of Boston employee. It's my understanding that payroll division in your office might have these old records. This is a longshot, but do you know the level of detail included in the records? The former employee I'm interested in was a police officer and I'm trying to determine how long he was assigned to administrative duty and not allowed to work paid details or court overtime. Would there be a payroll code indicating that an officer was restricted to administrative duty? Or do the payroll records include a breakdown showing whether an officer was paid for details or court overtime? Ultimately I'm trying to figure out when the officer was released from administrative duty and returned to full duty. I have plenty of details about the former employee, including his social security number. Here are the specifics: Officer Patrick M. Rose Sr. DOB: [REDACTED] Social Security: [REDACTED] Employee ID Number: [REDACTED] Badge No: 04633 Rose would have been placed on administrative duty on or about 12/1/1995 through at least 10/20/1997. I'm looking for anything that could pinpoint when Rose was placed on administrative duty and when he was returned to full duty. As noted, that could include when he was paid for working details or court OT.

Rose Sr. I'm trying to determine the maximum age for BPD recruits when Rose was hired. Rose was 39-years-old (DOB [REDACTED] on his date of hire, June 22, 1994. Was there an age limit when Rose was hired? Or did he receive a waiver from the age requirement? We are also seeking other details on Rose's hire, including his civil service status, performance on the police entrance exam, previous employment, military service, and the findings of any recruit investigative file or background check done in advance of Rose's hiring. I've included a detailed list of questions below. I'll also file a formal records request, but I'm hoping we can get some answers on an expedited basis because of the public interest in this case. Thank you in advance for the help, QUESTIONS 1. What was BPD's maximum age for new recruits when Rose was hired on June 22, 1994? 2. If Rose was above that maximum age, what was BPD's basis or authorization for hiring Rose at age 39? Can I get a copy of any document explaining the basis or authorization? 3. Did Rose receive a waiver from the age requirement because of military service? If so, can I get details? How many years of military service did he get credit for? What branch of service? 4. Is there a form DD214 in Rose's personnel file documenting his military service? If so, can I get a copy? Did Rose get civil service preference because of his military experience? 5. Was a home rule petition or other law or ordinance passed exempting Rose from the age requirement? If so, who sponsored the law and what are the details of the law? 6. Can I get details of Rose's previous employment, including military service, included in Rose's file? If there is a document showing Rose's previous employment and/or military service can you please provide? 7. Can I get the details and results of any background investigation or recruit investigative file or report? If there are documents, can I get copies? 8. Does Rose's file show if he has previously applied to the BPD before he was ultimately hired in June 1994? If so, can I get the number of times Rose applied and the dates of the applications? 9. Does Rose's file show the number of times Rose took the civil service exam to become a police officer? If so, how many times did he pass and how many times did he fail before he was hired? 10. Can we get the details on Rose's recruit class. What was his academy class number? How many people were in his class? What day did he graduate? (Our clips show a graduation on 11/4/1994 for a recruit class that started 7/7/1994). [GLOBE LITIGATION] [The Rose Request] [PRESS] [60 days]

For all bank accounts checks/warrants ("checks") are issued from, please provide the most recent list/report of all non-negotiated/outstanding/uncashed checks - in all amounts - that were issued between January 1, 2000 and the date the search is conducted. Please provide all available fields, including, but not limited to, (i) payee name, (ii) payee address, (iii) amount, (iv) date issued, (v) check number, etc. Please note: This request specifically excludes all checks that have already been reissued, and/or are ineligible to be reissued, and/or have already been remitted to a state unclaimed property office. Excluding checks that cannot be reissued is extremely beneficial, as processing only eligible reissue requests conserves the resources of all parties. Please inform me if, after a reasonable search, no responsive records whatsoever were located. Please also inform me if you determine to withhold a responsive record in its entirety or disclose in redacted form. If you do intend to disclose any record in redacted form, I ask that you redact that record for the time being (by blacking it out, not whiting it out) and make the rest of the records available. <a href="#">R000853-050721</a>	5/7/2021	5/14/2021	Office of Human Resources	Michael Keller	The New York Times	<p>Pay data for all active city employees (including police officers) in fiscal year 2018 through fiscal year 2020 including base salary, overtime, total compensation and other benefits. If any police department employees have any secondary employment and this pay data is tracked by the city or department, please include that as well. Expedited processing I am requesting expedited processing. I believe this request is entitled to such processing because I am a member of the media, employed as a journalist by The New York Times where my role is primarily engaged in disseminating information to the public. This request also warrants expedited processing because it seeks to enhance the public's understanding of government activity around which there is widespread and exceptional media and public interest. These records relate to issues around police operations and financial spending, which has been an issue of national attention for the past 11 months. Police budgets can occupy a large part of a city budget, with overtime costs running particularly high in light of recent protests. A greater understanding of overtime pay would greatly contribute to the public's understanding of this important government activity. Fee Waiver I am also requesting a fee waiver. A fee waiver is warranted because the information is likely to contribute significantly to public understanding of government operations or activities and is not primarily in the commercial interest of the requestor. I am a full-time journalist and representative of the news media. As such, search and review fees should be waived. If you have any information about this request, please do not hesitate to contact me at email or on the phone. I look forward to your determination. To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, The New York Times welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, The New York Times and your agency can decrease the likelihood of costly and time-consuming litigation in the future.</p>

<a href="#">R000871-051121</a>	5/11/2021	5/24/2021	Public Works	Elisabeth Ireland		Re: R000734-042121 I am a neighbor of Simon Thomas who made the initial request for public records. I am responding to the question asked of him in the public information request response he received on May 6. We are all abutters of Acorn Street and part of the Acorn Street Association and have asked Todd Liming for his assistance in understanding what we can do to reduce tourist traffic on our private way. Todd hasn't responded and it is our understanding that certain organizations including the Beacon Hill Civic Association have been in contact with him to oppose any limitation on local traffic on our private way. The level of tourist traffic has grown geometrically over the past decade if not past five years and we are overwhelmed with the hordes of people posing in our doorways and impeding our ability to enter and leave our own homes. We are united in our interest in a gate on either end of Acorn Street that would remain unlocked for local traffic but send a clear message to tourists that this isn't just an instagram photo opportunity but the property of local citizens who have ever right to protect their property and their home values from constant encroachment. We presented our case to the Architectural Commission and they referred it back to the PIC so we really need some clarification from Todd Liming and his staff about what would be acceptable as a form of tourist mitigation on Acorn. We understand a gate was allowed on Willow Court and we are hoping that an unlocked gate might be more acceptable once the reality of Acorn's tourist problem is better understood by the city. I hope this clarifies what we are looking for; any communication with any organization or entity on the topic of Acorn Street and any clarification from the PIC of what form of gate might be acceptable on either end of the private way. Thank you!

<a href="#">B000856-051921</a>	5/17/2021	6/2/2021	OPC	Sophia Hall	Lawyers for Civil Rights (LCR)	<p>RE: Public Record Request Dear Director DeMaio: This request is submitted pursuant to the Public Records Act, G.L. c.66, S 10, for public records in the custody of the Boston Police Department ("BPD"). As used in this request, "public records" is defined as in the Public Records Act; and "bypass" refers to the hiring process in which a candidate is removed from the civil service list in favor of a lower-ranking candidate. The timeframe for this request is January 1, 2019, to present day, unless the specific request indicates otherwise. I hereby request copies of the following: 1. All records indicating or reflecting the overall demographics by gender and race of all civil service employees of the BPD, disaggregated by zones and/or districts and by rank and/or grade. 2. All records indicating or reflecting the overall demographics by gender and race of all non-civil service (i.e. civilian) employees of the BPD, disaggregated by department, division or unit and by job title, including but not limited to records reflecting who serves in any supervisory and/or management position. 3. All records indicating or reflecting a request by BPD to the Commonwealth of Massachusetts' Human Resources Division (HRD) to consider language skills in the hiring process for BPD employees since January 1, 2018, and the outcome of said requests. 4. All records indicating or reflecting the overall demographics by gender and race of any candidate bypassed for employment with BPD, and if available, disaggregated by the underlying rationale or reason for the bypass. 61 BAVFERYMARCH STREET • 5TH FLOOR • BOSTON, MA 02110 (617) 482-1145 OLEPHONE) • (617) 4824392 (FACSIMILE) WWW.LAWYERSFORCIVILRIGHTS.ORG 5. All records indicating or reflecting any complaints submitted regarding unfairness or discrimination associated with a promotional decision, and/or any component of the promotional process. As this request involves a matter of public concern, we ask that all fees associated with this request be waived pursuant to 950 C.M.R. 32.06(5). The purpose of this request is to gain information about the diversity of BPD personnel and the equity measures taken to ensure fairness for said diverse personnel. The information will not be used for any commercial purpose. If the waiver is denied and you expect the fee to exceed \$10.00, please provide a detailed fee estimate. The Public Records Law requires that you comply with this request within 10 days following receipt. If your response to any portion of the request is that any record or portion of it is not public, please set forth in writing the specific reasons for such denial, including which specific exemption you believe applies. To the extent that you have provided us with responsive records in connection with our prior public record requests, those records need not be produced again. I can be reached at the contact information below with any questions or concerns regarding this request. Thank you for your time and prompt attention this this request. Sincerely, Sophia Hall</p>

Scripps Company and am working on a project about the domestic role of the National Guard. As part of the project, I am seeking information about support missions conducted by the National Guard with local law enforcement agencies of various sizes across the country. Please consider this a request under the Massachusetts Public Records Act for records documenting operations your law enforcement agency has participated in with support from the National Guard from Jan 1, 2015 to today, including records documenting requests for National Guard support, mission summaries for those operations and records documenting any arrests or drug seizures made as a result of those operations. I am a member of the news media and request an exemption to any fees associated with this request. I also ask that this request be expedited if possible because the records will contribute to the public's understanding of government operation and are timely. I would prefer to receive any responsive records by email. If you expect to charge any fees, please let me know before proceeding. If you opt to redact the records or deny this request, please cite each specific exemption you feel justifies the refusal to release the withheld information and notify me of the appeal procedures available to me under the law. Please do not hesitate to reach out if I can clarify this request in any way. Separately from the formal records request, if your agency has a working relationship with the National Guard (for analyst assistance, counterdrug missions, etc) and you would like to share any thoughts about that relationship, please do!

Specifically, I request the following information: 1. A spreadsheet, e.g., Microsoft Excel, or other flat file format, e.g., Comma-separated Values (CSV) or Tab-separated Values (TSV), containing as many of the following fields of data as are stored in any electronic record system or software pertaining to each time the Boston Police Department or an employee thereof has been sued for actions or omissions committed in the course of employment after 2010: a. Employment identification number of officer-defendant b. Last name of officer defendant c. First name of officer defendant d. Badge number of officer defendant e. Case caption f. Docket number g. Court h. Dates of any sworn depositions given by officer i. Date of any testimony by officer at trial j. Final disposition (settled, dismissed, verdict, etc.) k. Date of final disposition l. Amount of money, if any, paid by the city pursuant to a verdict or settlement in the case. m. Amount of money, if any, paid by the officer involved pursuant to a verdict or settlement in the case. n. Amount of money, if any, the city paid for legal representation of officer in this. 2. Any other document which lists lawsuits brought against the Boston Police Department or any employee thereof for acts or omissions committed in course of employment after 2010. 3. Each agreement signed by the city to settle claims against the Boston Police Department after 2010. 4. For each lawsuit listed, the following documents related to the underlying events and accusations: a. Any and all internal investigation reports (however named); b. Arrest reports; c. Use-of-force or other supplemental reports (however named); d. Any relevant body camera footage e. Findings of a disciplinary hearing board (however named); f. Discipline actually imposed by the Boston Police Department or other body; g. Any other documents relating to the Boston Police Department's efforts to ascertain the truth of the accusations relayed in each lawsuit listed above. With respect to the form of production, we note that relevant regulations require the production of records in an accessible, commonly used electronic form, to the extent feasible. See 950 CMR 32.04(5)(d). Record custodians are also required to implement new record keeping systems and databases in such a way as to allow for "retrieval of public portions of records to provide maximum public access." See 950 CMR 32.07(1)(e). Extraction of such data from a database or electronic record system does not constitute creating a new record. See 950 CMR 32.07(1)(f). See also Attorney Gen. v. District Att'y for Plymouth Dist., 484 Mass. 260, 275 (2020) ("where public records are in electronic form, as they increasingly are and will be, a public records request that requires a government entity to search its electronic database to extract requested data does not mean that the extracted data constitute the creation of a new record under the public records law"). Printing these records from a database or electronic system, redacting them with a marker, and then re-scanning them, is generally not consistent with these regulations; this process provides the digital records in neither the preferred form nor in a "searchable machine-readable form." 950 CMR 32.04(5)(d). If necessary, we welcome reasonable suggested modifications pursuant to 950 CMR 32.06(2)(g). If you believe that some portion of the documents requested are exempt from disclosure or require redaction, please release any reasonably segregable portions that are not exempt. In addition, please note the applicable statutory exemption and explain why it applies to the redacted portions. Please</p>

<a href="#">R001005-052721</a>	5/27/2021	6/8/2021	Inspectional Services	Andy Voelker		On Feb 4, 5 and 9 of 2021, there was illegal intensive demolition and total gutting performed at my apartment (344 Hanover Street, Boston, MA, 02113). This construction was done without permits, without an asbestos abatement plan and dust plan in place, without following RRP guidelines and without using a licensed, bonded contractor as is required. We filed a complaint and as a result, the Boston Public Health Commission, IDS, the Fire Department and Mass DEP all inspected the building. A stop work order and notice of violation was issued on or about Feb 12, 2021 (pdf attached). Mass DEP and IDS required the landlord to evacuate the tenants and abate the building. I am seeking public records request for any materials that detail this "stop work order", "notice of violation", all "violations" from not adhering to any required rules and regulations. My landlord claims that there was no violation, which does not make sense, given the facts stated above. Thank you Andy Voelker Email: andy.j.voelker@gmail.com Phone: 312-208-8524

<a href="#">R001092-061121</a>	5/28/2021	6/23/2021	Office of Neighborhood Services	Mark Christo		I am a constituent who is strongly opposed to the cannabis application for Ember Gardens at 297 Newbury St. As a direct abutter next door at 295 Newbury St, a fully residential multi-unit building which is located on "the most residential" block of Newbury St., it is apparent that this proposal at this location would yield ill-effect for many immediate neighbors, most of whom are residents. I am requesting and would appreciate a copy of all correspondence, both for/against, that you have received for this application from political representatives, neighborhood organizations, etc. including that of former Mayor Marty Walsh, for review. As this matter has necessitated and really does require serious commitment of many in assessing its' full impact, a growing number of neighbors are very troubled and wanting to express our several concerns about the adverse effects this establishment will have at this particular site upon its immediate surroundings. For this reason we would very much appreciate the support of acting Mayor Kim Janey in opposing this application.

I am trying to find the detailed incident report for something that happened very late on March 9, 2021 -or- in the first few hours of the morning of March 10, 2021. Three police officers questioned me, Corey Pennington, at 170 Centre St (Milton Academy, Norris House faculty residence - I know it is Milton but I am pretty sure the officers identified themselves as BPD) concerning an accusation made that I had assaulted my wife, whom I had not seen in more than 6 hours. The officers arrived at my door at 1am on March 10, asked me some questions and then left. Nothing was left behind as a reference and I do not know who the officers were that responded. I would like to request the full report related to my questioning as well as any additional reports mentioning me regarding that night, such as the statements made by Elizabeth Pennington and/or the various witnesses that were on the scene. Any help you could give me in getting to this information would be very much appreciated.

Investigation CLAIM NO: 21A12168 POLICY NO: AMV0220918 DOL: 4/14/21 CLAIMANT: SMITH, Joshua Dear Ms. Taub: Please be advised that this office represents the Quincy Mutual Fire Insurance Company with regard to the investigation of a motor vehicle accident that took place on April 14, 2021. Attached is a copy of the Boston Police Report No. 212024160. This did take place at approximately 18:30 hours at the intersection of Seaver Street and Humboldt Avenue. One vehicle was in the left travel lane. A vehicle in the right travel lane attempted to execute a U-turn onto the outbound side of Seaver Street causing an impact with the other vehicle. This office has met with the auto investigator at Area B-2, Officer Wayne Hester, He has confirmed that he has the video and he has archived a copy in response to our request. Under M.G.L. c. 66 10 and M.G.L. c. 4 7, we are requesting a copy of the video of the accident. Once again this took place between the hours of 18:15 and 18:30 on April 14th . 2021, at the intersection of Seaver Street and Humboldt Avenue. We do understand that there will be a fee for the production of the video. We will forward our check payable to the City of Boston upon your advices.

Relevant keywords might include "clowns," "Facebook," "Twitter," and "Instagram." As an example, according to this Guardian report, Washington DC's Metropolitan Police produced a 14-page document in October 2016 called "Social Media Clown Threats." We seek documents of this type. <a href="https://www.theguardian.com/culture/2021/may/25/threats-menacing-clowns-police-surveillance-online-accounts">https://www.theguardian.com/culture/2021/may/25/threats-menacing-clowns-police-surveillance-online-accounts</a> I also request that, if appropriate, fees be waived as we believe this request is in the public interest, as suggested but not stipulated by the recommendations of the Massachusetts Supervisor of Public Records. The requested documents will be made available to the general public free of charge as part of the public information service at MuckRock.com, processed by a representative of the news media/press and is made in the process of news gathering and not for commercial usage. I expect the request to be filled in an accessible format, including for screen readers, which provide text-to-speech for persons unable to read print. Files that are not accessible to screen readers include, for example, .pdf image files as well as physical documents. In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not. Thank you in advance for your anticipated cooperation in this matter. <a href="#">B000977-061021</a>	6/10/2021	6/3/2022	BPD Media Relations	Andrew Ryan	The Boston Globe	Under the state open record law, we are seeking the records described below. Specifically we are seeking: The most current Internal Affairs log or index from IAPro or other case management system from 1/1/1993 until the day this request is fulfilled. The Globe has received this data as an excel spreadsheet several times over the years and each time the output has included slightly different columns. In this request, we are seeking ALL available columns, which should include, but is not limited to, the following: Case Number Date Received Date Occurred Title/Rank Officer First Name Officer Last Name Employee ID number (We are seeking the unique number used for each employee that corresponds with payroll, etc., not badge number) Allegation Summary Incident type Completed Date Finding Finding date Action taken Days or hours suspended We request that this data is provided so each officer's allegation is contained in its own row so that a single case may take up multiple rows. We do NOT want cases confined to a single row so individual cells contain multiple allegations or multiple officers. We have received this data in this format previously. An example is attached. Also, we are requesting that in pending cases the names of officers be included. The Boston Police Department in 2015 provided the names of officers in pending cases but has stopped in recent years. Cases can remain in pending status for a decade or more, shielding the names of officers in near perpetuity, contrary to the public record law. <a href="#">B000978-061021</a>	6/10/2021	9/21/2021	OPC	Caroline Li		Dear BPD, I am working with Professor David Abrams on a time-sensitive research project for the University of Pennsylvania examining the impact of COVID-19 on crime. The goal is to leverage aggregated crime and policing data to learn in close to real-time how to effectively promote public safety amidst the changes brought upon by COVID-19. With this, we aim to improve public safety and health in the "new normal" by sharing our findings with cities across the country. We have located Boston incidents data until the present and stops data until the end of 2020 on Analyze Boston website, but were unable to find stops data from 2020 to the present. As part of this research, we are requesting the latest version of that data. Because of the time-sensitive nature of this work, we would greatly appreciate a response within 24 hours, if at all possible. If it is easier to speak by phone, please let me know the best time and number to call. Thank you in advance for your assistance! <a href="#">R001127-061721</a>	6/17/2021	7/2/2021	Boston Cannabis Board	Robin Reed	The Heritage Club	At today's meeting [Wednesday, June 16, 2021], [Lesley Hawkins] stated you received a FULL Traffic Study from Resilient Remedies. The one you sent me previously -- which R2 submitted after the hearing as supplemental information -- did not have traffic counts that constitute a full study according to the BTB. Please send me the new traffic study that you are alleging is a FULL study and upon which the BCB voted [Wednesday, June 16, 2021]. Also, BCB Chairman Joyce indicated during their vote on May 19 (video recorded), that she would get BTB to opine on whether or not this supplemental Traffic report (i.e. the one I [received]) was considered a full study that would address back up traffic on Broadway and projected parking needs. Please send me the correspondence email or otherwise from BTB that states what their opinion on that report is. If there was a verbal exchange between Chairwoman Joyce and the BTB then please share the name of the person with whom she spoke and the emails where she shared this information with the board members. This process is supposed to be transparent so that the public can understand how the Board came to it's decisions and upon what basis and that the process is equitable for all applicants. Also, please send me any correspondence between board members that indicates they each voted on whether or not R2's supplemental traffic report would need to be presented at a community meeting, as they each voted on and required of the Heritage Club.

We seek the cooperation of the City of Boston Fire Department (authority having jurisdiction) through the production of relevant documents and records. Through correspondence dated January 15, 2020, this office had previously requested certain documents and records regarding the fire. In response, this office was provided with an NFIRS report. Please consider this correspondence as a formal request under the Massachusetts Public Records Law (M.G.L. Chapter 66, Section 10) wherein this office seeks additional documentation and records pertaining to the origin and cause investigation conducted by Lieutenant McCarthy (believed to be William McCarthy) of the Boston Fire Investigation Unit, as referenced in the NFIRS report. Specifically, this office is seeking the following:</p> <ul style="list-style-type: none"> <li>All documents of any kind or character maintained by the Boston Fire Department regarding its investigation into the origin and cause investigation of the fire;</li> <li>All correspondence sent or received by the Boston Fire Department regarding the origin and cause investigation conducted for the fire;</li> <li>All reports in the care, custody, control or reach of the Boston Fire Department relating to the investigation conducted by Lieutenant McCarthy in the origin and cause of the fire;</li> <li>Any documents prepared by or on behalf of the Boston Fire Department which reference the origin &amp; cause of the fire;</li> <li>All drawings, prints, sketches, computer models or renderings of where the fire originated;</li> <li>All witness interviews or interview summaries, whether audio or transcribed that were produced as a result of by Lieutenant McCarthy's investigation into the origin and cause of the fire;</li> <li>All notes and memorandum drafted by Lieutenant McCarthy as result of his investigation into the origin and cause of the fire; and,</li> <li>All photographs or videos in the care, custody, control or reach of Lieutenant McCarthy relating to the fire.</li> </ul> <p>This request was previously made on February 8, 2021, but no response was received. Pursuant to the public records law, the requested information is to be produced within 10 days. Should the Boston Fire Department be unable to produce the records within the statutory time, we are happy to afford a reasonable extension upon request and work with your office to limit the burden, as much as possible.</p>

I do have, however, one additional request involving Douglas R. George. Mr. George owns scores of properties under a number of different LLCs. Under the public record I'm seeking property tax payment history for the entities listed below that are owned by Mr. George. If Mr. George owns property under any additional LLCs or other entities. I would like the property tax history for those entities as well. I've noticed that some tax bills to LLCs listed Mr. George as the manager. Many (but not all) of Mr. George's LLCs are headquartered at 832 Dorchester Ave, Dorchester if that helps in your search. I will note that I'm only looking for the tax payment history when a property was owned by Mr. George's LLC. The list of LLCs is below. <a href="#">R001190-062421</a>	6/24/2021	6/24/2021	BPD Media Relations	Hannah Bassett	Open The Government	<p>Pursuant to the Massachusetts Public Records Law, Open The Government makes the following request for records. The murder of George Floyd in May 2020 sparked renewed interest in America's police departments and law enforcement agencies, and their respective policies, including policies around releasing information. Public information officers (PIOs) often serve as a conduit for information to reach the media and the public, and these PIOs continue to play an active role in determining and controlling which information is released. During the protests following Floyd's murder, and numerous other notable instances of policing activity, members of the media sought information from the Boston Police Department to inform their coverage of current events. Open The government requests documents to shed light on the policies that Boston Police Department's public information officers follow when determining which media requests to answer and which information to release. Requested Records Open The Government requests that the Boston Police Department produce the following records within ten business days: A complete copy (including any attachments) of any formal or informal guidance, directives, memoranda, or other policy and procedure documents or records utilized by public information officers when processing a media request. Please provide all responsive records from May 1, 2020 to the day the search is conducted. Fee Waiver Request Open The Government requests that your agency consider waiving any fees associated with processing this request for records. The general public has a significant interest in how the Boston Police Department determines which information is made available to the media, and subsequently the public. Records with the potential to shed light on this process would contribute significantly to public understanding of operations of the Boston Police Department. Open The Government is a nonpartisan 501(c)(3) that works to strengthen our democracy and empower the public by advancing policies that create a more open, accountable, and responsive government. Open The Government uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. Open The Government also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter. To the extent your agency anticipates charging any fees with this request for records, Open The Government requests that you inform us in advance of doing so. <a href="#">B001098-062421</a>	6/24/2021	6/25/2021	BIS/Video Evidence Unit	Aidan Bruton	Morgan & Morgan P.A.	Our law firm represents Ms. Linh Phung Hua in the above legal matter. You may be in the possession of evidence that is important to this matter. Briefly, Ms. Linh Phung Hua suffered major injuries due to a pedestrian-motor vehicle accident that occurred at the intersection of Dorchester Ave and Adams St. in Dorchester, Massachusetts on or around 3:15 p.m. on March 31, 2021. We understand that you may have video footage of the accident location during that time, and we are requesting that you preserve that footage. The importance of immediate action cannot be overstated. Electronically stored information is easily corrupted, altered, and deleted in normal daily operations. Even booting a drive, running an application, or reviewing a document can permanently alter evidence. An important method for preserving data in its original state is to have a forensic image (mirror image or clone image) made of pertinent hard drives of both office and home computers used for business and of network servers. This image captures all current data, including the background or metadata about each document. Simply copying data to a CD-ROM or other common back-up medium is not adequate. For each captured image file, record and identify the person creating the image and the date of creation. Secure the file to prevent subsequent alteration or corruption and create a chain of custody log. Once the forensic data image file is created, the pertinent computer or other device can be placed back into operation. This preservation notice covers the above items and information between the following dates: March 31, 2021 - Present. Follow the above procedures to preserve electronic information created after this notice. Current law and rules of civil procedure clearly apply to the discovery of electronically stored information just as they apply to other evidence and confirm the duty to preserve such information for discovery. You and your officers, employees, agents, and affiliated organizations must take all reasonable steps to preserve this information until this legal matter is finally resolved. Failure to take the necessary steps to preserve the information addressed in this letter or other pertinent information in your possession or control may result in serious sanctions or penalties. To properly fulfill your preservation obligation, stop all scheduled data destruction, electronic shredding, rotation of backup tapes, and the sale, gift, or destruction of hardware. Notify all individuals and affiliated organizations of the need and duty to take the necessary affirmative steps to comply with the duty to preserve evidence. Thank you for your cooperation. Please do not hesitate to contact me with any questions or concerns.

<a href="#">B001105-062521</a>	6/25/2021	10/26/2021	OPC	Mitchell Kosht	Committee for Public Counsel Services	Internal Affairs Records 1. A report, spreadsheet, or other flat file format (CSV, TSV, etc.) which includes as many of the following fields of data as are recorded in the relevant electronic records system, from 2010 to the present: a. Unique case identifier (Case number, complaint number, special order number, etc.) b. Employee identification number of each officer involved or accused; c. Name of each officer involved or accused; d. Badge number of each officer involved or accused; e. Date of incident; f. Type of incident (e.g., excessive force, use of pepper spray, etc.) g. Summary of complaint; h. Identifying number(s) for related police reports i. Date of complaint; j. Race of complainant; k. Sex of complainant; l. Employee identification number of investigating officer; m. Name of investigating officer; n. Disposition of complaint; o. Date of disposition; p. Date of external review (i.e., by civilian oversight board) q. Disposition of external review; r. Discipline imposed; I recognize that agencies are under no obligation to create new records in response to a public records request. That said, extraction of information from a database or electronic record system does not constitute creating a new record. See 950 CMR 32.07 (1)(f). See also Attorney Gen. v. District Att'y for Plymouth Dist., 484 Mass. 260, 275 (2020) ("where public records are in electronic form, as they increasingly are and will be, a public records request that requires a government entity to search its electronic database to extract requested data does not mean that the extracted data constitute the creation of a new record under the public records law"). Furthermore, record custodians are also required to implement new record keeping systems and databases in such a way as to allow for "retrieval of public portions of records to provide maximum public access." See 950 CMR 32.07(1)(e). If the city of Boston and/or the Boston Police Department does not maintain an electronic record system pertaining to internal affairs investigations, I would request, for the period of 2010 to the present, the following: 2. Any document, ledger, report, or list, which summarizes investigations undertaken by the Internal Affairs Unit (however named), and which may include a unique case identifier (case number, complaint number, special order number, etc.), the names of the officers involved, the substance of the complaint, and the disposition of the investigation. <a href="#">B001132-062921</a>	6/29/2021	7/21/2021	OPC	Eric Osborne		The alleged rape of Jane Joe by Chauncey Billups, Ron Mercer, and Michael Irving at the home of Antoine Walker. I am specifically looking for information as it pertains to Chauncey Billups. The material allegations can be sketched briefly. Doe spent the evening of November 9, 1997, socializing at a club with the four defendants and others. At the end of the evening, Irvin invited Doe to a home that he shared with Walker in Waltham, Massachusetts. Irvin stated that he had been asked to extend the invitation by Walker, whom Doe had previously dated. Upon arriving at the home, Doe was taken to Irvin's bedroom. There she was sexually assaulted by Irvin, Mercer and Billups. During the assault, Walker entered the bedroom. When Irvin asked if he wanted to have sex with Doe, Walker declined.
