Employee who filed the disclosure:	Miranda Beaudet
	DETERMINATION
To give approval, check <u>both</u> statements.	Upon consideration of the facts disclosed by the employee above, I find that: _x__ Acceptance of the reimbursement, waiver or payment of travel expenses will serve a legitimate public purpose, i.e., it will promote the interests of the Commonwealth, a county or a municipality; AND __x_ Such public purpose outweighs any special non-work related benefit to the employee or the person providing the reimbursement, waiver or payment.
Reason that the employee's travel or attendance will serve a legitimate public purpose:	Each year, the National Association of State Procurement Officials (NASPO) covers all expenses for up to seven attendees from each state to attend the REACH Conference. OSD has had a long-term relationship with NASPO and is an active participant in their events. The REACH conference allows OSD employees to learn about best practices and trends in state public procurement. The event provides both professional development and networking opportunities for our Category Management participants alongside their public procurement peers from other states. These opportunities are unique to the NASPO Reach event.
