Good morning Tammy,

Consul General Sharoni was hoping that you would be kind enough to thank Maj General Keefe for his visit to the Consulate yesterday. He appreciated the time and conversation very much.

As a follow up to one of the topics that they discussed, The CG wanted to suggest an event with an active duty IDF senior physician, a former Brigade Surgeon General, who is here in Boston during the first week of August. Perhaps National Guard leadership and relevant staff may be interested in the following topic: Optimizing Combat Lifesaving- Medical Corps at War: IDF Best Practices.

Please let me know if this is of interest.

Respectfully,
Erin
