She is talking about Israel Originally you were going to Paraguay and Israel was off the table when we put all the orders in for the deadline. Nothing we can do about the last minute at this time but hope they approve it. Tammy

Good afternoon sirs/ma'ams,

We have received requests for travel since this 20 July deadline when funds were reallocated. At this time we have very little travel funds and all travel funds will need to be requested through SLMO. Can you please send all known requests and anticipated requests to MSgt Marino and TSgt Dobre for processing. T the same time, enter all DTS so we can see what funds need to be requested. If you can do this by COB on Monday, 27 July so that we can start the requests.

v/r,
Becky

Good morning sirs/ma'ams,

Per below message, I am just reaching out to request that all tentative travel plans be projected by 1 July. This would mean AROWS orders submitted and DTS entered so that there is time to enter, route and approve all requests by NGB deadline of 10 July. This is just to be sure 80% of funds are allocated. After 10 July, funds will be distributed differently and special requests will need to be submitted. I am pretty sure you have all done this already but in case anything else has come up, please submit ASAP. Thank you in advance and if any last minute events occur, we will tackle those as they come in.

Have a wonderful day!

Sincerely,
Rebecca Martin

Greetings Team,

I hope you are having a productive summer.

To ensure our allocated funding is properly utilized according to our initial strategic plan, we must meet upcoming execution benchmarks.

Please review your accounts and ensure they reach at least **80% execution by 10 July 2026**. Please note that after this date, funds may be reallocated from accounts that have not met this 80% threshold.

To achieve this target, please ensure that all remaining General Officer (GO) travel and mission orders for the rest of the Fiscal Year (FY) are completely entered into the respective systems.

Thank you for your prompt attention to this matter and for your continued support in meeting our financial goals.

Sincerely,

BENJAMIN M. REIS
