---

Good morning,

Attached is the storyboard for Exercise Cyber Shield 2026 from 11-25 July 2026 at PEC in Little Rock, AR. I want to recognize Maj Pat Broydrick (102 IW) and MSgt Micah Rei (102 IW), who served as OIC and NCOIC. Their outstanding leadership was instrumental in preparing the team for this exercise.

This exercise was significant for two key reasons:

1. For the first time, the MA ANG not only served as the lead planner,(a role traditionally held by the MA ARNG), but also comprised the majority of the participants on the joint team.
2. Full participation from all of our international partners in one exercise (Paraguay, Kenya, Israel, and Ireland). I can't recall another exercise beyond Cyber where we had every international partner involved.

The increased participation and leadership from the MA ANG were crucial to this success and look forward to building on this model to further strengthen our joint force integration in future cyber exercises.

Concurrently, we hosted our International Distinguished Visitors during the exercise (all countries represented), who participated in International Partners Day and DV Day.

Karmin Ng
LTC, CY
Director - Cyber Operations
Defensive Cyber Operations Element Team Chief
