9. Travel Itinerary and Justification

AWS Summit (https://aws.amazon.com/events/summits/washington-dc/) is a free two-day event from 6/30 - 7/01 in Washington, DC. Attendees will connect with fellow public sector innovators and AWS experts for learning, sharing and building together. From agentic AI to super-computing, discover cutting-edge technologies and hear directly from public sector leaders who've transformed their missions with AWS. Attendees can customize their experience by choosing sessions that best fit their agency's mission need, including customer-led sessions which show real solutions to real challenges, all while networking with like-minded professionals.

Attached supporting documentation (conference agendas, brochures, etc.)
