	ELECTED PUBLIC EMPLOYEE INFORMATION
Name of elected public employee:	Liz Miranda

	ACTIVITY THAT SERVES A LEGITIMATE PUBLIC PURPOSE

Please explain how the activity will promote the interests of the Commonwealth, a county or a municipality.	I am of Cape Verdean descent and, as a State Senator, represent a district made up of diverse Black and Brown communities. My participation at this meeting will provide me with the opportunity to connect, collaborate, and engage with other state legislators dedicated to promoting

	educational, research, and training opportunities on legislation and public policy impacting Black and Brown communities. I will have the opportunity to not only share the work I've done on these issues but also learn from other legislators and business leaders from across the country on how Massachusetts can advance equity even further. Taking lessons from the trials and errors of Black and Brown leaders in other states is one of the most informative ways that I can shape the policy that I introduce and champion here at home. My strength as a leader and a Senator depends on my ability to learn from others and connect with other leaders who represent districts that face similar challenges—and require similar solutions—to mine. I anticipate that this will be a deeply educational experience and will inform my work as a legislator, a community leader, and as the Senate Chair of the Joint Committee on Racial Equity, Civil Rights, and Inclusion.
