RE: PUBLIC RECORDS REQUEST of October 22, 2020., Reference # R000864-102320

Dear Chris :

The City of Boston (City) has received your request for public records. This response applies only to records that exist and are in the custody of the City. See A Guide to the Massachusetts Public Records Law, p. 32, n.115. It is expected that a custodian of records must use her superior knowledge of her records with respect to responses to public records requests. 950 CMR 32.04(5). Specifically, you stated:

*Do you have a list of city of Boston payouts/settlements paid for cases of police misconduct for the last three years?
I am looking for confirmation of a settlement the city made with Frederick Clay, among others.*

We have reviewed our files and have located records that correspond to your request. These records have been released to the [Public Records Center](#). Click the link below to login to the Records Center and retrieve the requested records.
