RE: PUBLIC RECORDS REQUEST of October 29, 2020., Reference # R000905-102920

Dear Chris :

The City of Boston (City) has received your request for public records. This response applies only to records that exist and are in the custody of the City. See A Guide to the Massachusetts Public Records Law, p. 32, n.115. It is expected that a custodian of records must use her superior knowledge of her records with respect to responses to public records requests. 950 CMR 32.04(5). Specifically, you stated:

I am requesting information from the city about payments made to settle cases of alleged police misconduct for each of the last five years, including recipient's name and the amount of payment by City of Boston. I believe this information is readily available and hope that you could provide it soon.

We have reviewed our files and have located records that correspond to your request. These records have been released to the [Public Records Center](#). Click the link below to login to the Records Center and retrieve the requested records.
