RE: PUBLIC RECORDS REQUEST of November 04, 2020., Reference # R000938-110420

Dear Andrew:

The City of Boston (City) has received your request for public records. This response applies only to records that exist and are in the custody of the City. See A Guide to the Massachusetts Public Records Law, p. 32, n.115. It is expected that a custodian of records must use her superior knowledge of her records with respect to responses to public records requests. 950 CMR 32.04(5). Specifically, you stated:

I wanted to request some data/records from the payroll department regarding the hours BPD Officer Sandro Fonseca worked from 12/12/2013 until he left BPD in 2018. This is a request for the human resource/payroll department, not the police department.

Here is what I'm seeking: I would like a breakdown of the hours Sandro Fonseca worked and what he was paid for from 12/12/2013 until he left BPD in 2018. I would like to know how many hours he was 1) at work being paid regular time, 2) at work being paid OT, 3) paid while he was on leave 4) paid while on injury leave. I would also like a breakdown of any sick, personal, or vacation buyback.

As always, happy to discuss: 617-825-0270.

We have reviewed our files and have located records that correspond to your request. These records have been released to the [Public Records Center](#). Click the link below to login to the Records Center and retrieve the requested records.
