This is a request for public records under M.G.L. ch. 66, § 10.

I request all documentation, user guides, administration manuals, and similar documents the Somerville Police Department possesses or has access to regarding the IAPro and BlueTeam software products.

If you withhold some portions of the requested documents on the grounds that they are exempt from disclosure, please specify which exemptions apply and release any portions of the records for which you do not claim an exemption. I ask that you provide the records in electronic format to the maximum extent possible.
