

Police Commissioner's Personnel Order

Number: PO # 2013-193

Date: June 19, 2013

On June 11, 2013, Police Commissioner Edward F. Davis executed a Settlement Agreement with Police Officer Jennifer Penton, ID# 103780, assigned to the Bureau of Field Services/District E-18, Org # 45180 in connection with IAD Case No. 2012-0074 for a violation of Rule 102 §18 (Personal Business While on Duty) and Rule 320 §2 (Courts) of the Rules and Procedures of the Boston Police Department.

In or around July 2010, Officer Penton left court to attend school but did not adjust the end time on her court-time slip to reflect her departure. This discrepancy did not result in an additional financial benefit to Officer Penton. On an unrelated date, Officer Penton failed to appear for court after being properly summonsed.

In resolution of these charges, Officer Penton has agreed to a written reprimand.

A handwritten signature in black ink, appearing to read "Edward F. Davis".
